

IAN ROGERS

SENIORS CAPTAIN 2023

I moved to Brean 8 years ago, and started playing golf around 7 years ago. After playing as a visitor for 6-12 months, the warm welcome I received made the decision to join the club as a member an easy one.

The best part about this club will always be the members, from the first day to present. The club is second to none, great people, great atmosphere and most importantly a great course.

In terms of having a favourite hole on the course I would say it is dependent on how the round is going. When player and ball work in tandem every hole is great. However, when nothing is going the right way and every hole seems to be playing into the "Brean Breeze" its hard to love every hole you play.

As Seniors Captain I hope to support both Gordie and Beverly in their roles of Main Club captain and the Ladies Captain respectively, and I hope together we can raise as much money for our selected charity as possible.
