

JOHN CRANLEY

SENIORS CAPTAIN 2022

I started playing golf after I came to England in 1967 and carried on when I went back to Ireland to raise my family. My sons spent many an hour playing in the bunkers at Portarlinton GC whilst I played my rounds. A good grounding, as both carried on to become single handicappers. When I returned to England I joined Maxstoke Park GC and had the honour of being Club Captain in 2011.

I first joined Brean in 2016 under the Sportsman's membership for the caravan season and then as full time member after I retired and we moved down to Somerset permanently.

My ambition for my captain's year is to retain the Seniors Somerset Bowl with Leighton Jenkins assisting with that team and for success in our inter club games.
