

PETER BARTON

CLUB CAPTAIN 2022

I have been playing golf now for 27 years and been a member at Brean Golf club for 22 years. The lowest I have got my handicap down to is 7.4.

When I'm not playing golf, I play darts which I have been playing now for over 30 years.

My highlights at being at Brean is being part of the Seniors team that won the Somerset bowl last year.

The direction I would like to see the club go is to win more Somerset SGU cups this year and really put Brean golf club on the map.

My favourite hole on our golf course is the 16th as there is water left and right and I feel that the green is very hard to stop the ball on in the Summer.
